USUSA Clubs and Organizations Council
What Classifies a Club?

A USUSA club is a group of students who share a common interest and have gone through the formal approval process through USUSA. Current USUSA clubs have the privilege to use university facilities free of charge and are granted access provided by USUSA Clubs & Organizations and the Student Involvement & Leadership Center. USUSA Clubs & Organizations take a role in the enhancement of a student’s personal and professional growth. By getting involved, students have the opportunity to increase their leadership, citizenship, and service skills that also enhance USU and the community.

USUSA Club vs. Department Club

USUSA Clubs & Organizations: A group of students with a common interest coming together to participate in an activity (such as a sport, hobby or academics). The club is initiated and ran by students with the assistance of an employee advisor.

Department Club: A student group that is sponsored and ran by an on-campus department. Indicators that a club may be a departmental club are: the advisor advises the club as part of their job description as written by the department they work for, the club receives funding from an on-campus department, or the club has an index number/P-Card. If any of these apply to a club, it will not be accepted as a USUSA club.

If you have any questions about the definition of your club, please contact us via e-mail or come visit us in TSC 342 or TSC 326.

Clubs & Organizations Funding

In order to receive funding from USUSA Clubs & Organizations, there are certain requirements that must be met beforehand.

To start your funding process:
1. Go to ususa.usu.edu, Click “Clubs” then “Funding Request Form”.
2. Approval process can take anywhere from 2-4 weeks. Be sure to fill out the request at least 4-6 weeks **BEFORE** the money is needed. No reimbursements will be given.
3. You will be asked to show what your club or organization has done to try and raise money before requesting from USUSA and what you will be using the USUSA funds for. USUSA Club funding cannot for any reason be used for food, travel, prizes, or contracted speakers. USUSA Club funding should be used to help enhance your club or organization, and it is encouraged that you use funding on something that will benefit your club long-term.
4. In addition, we will continue utilizing the P-card form of funding. Once you receive notice of your approved award, a representative from your club or organization will need to set up an appointment with Sophia May (435-797-2912) in TSC 326 to be P-card trained. Checks cannot be written to a club or organization.
5. After you have been trained, and are ready to use the P-card, you will have 24 hours to purchase the items you need up to the approved amount. You will only have one 24-hour period to use the P-card.
6. Funding requests will be taken starting August 26th, 2019 and will end March 31st, 2020. Please take school holidays into consideration, as the club council is made up of students who will not be present to process your request during those times.
7. Misuse or mishandling of club funds or the P-Card will result in immediate termination of your club, and funds will need to be repaid to the Student Involvement office.
Bank Account & Credit Card Use

Where to bank?
Clubs can bank anywhere they desire. USUSA does not provide accounts for clubs. Many clubs have had success with Zions Bank and USU Credit Union. They will help you know what kind of account to setup to ensure your financial success.

Can we rent credit card machines from the university?
No. If you have an event where you are charging money you will need to do cash, check, or purchase your own square reader. USUSA will not provide change for cash boxes.

What will we need to do?
This depends on where you go to create your account. Here is an example of a process one club went through:

1. Apply online for an EIN (for help, contact the Student Involvement office).
2. Compile the following documents and information:
   1. Club constitution
   2. Club information such as: Official name, EIN number, Officer’s names and contact information, Advisor’s name and contact information, number of current club members, etc.
3. Meet with bank or credit union
   1. It will take about an hour
   2. 2-3 Officers need to be there to act as signers/account owners
   3. Each officer will need their driver’s license and SS#
   4. Bring all the documentation and information listed above
   5. You’ll need $100 to deposit in the account at the time of opening it
4. After obtaining a bank account:
   1. The account signers will need to be updated each year as officers change
   2. The representative for the EIN# (whoever applied for it online) will also need to be changed each year through the IRS as officers change. You can do that by calling or writing the IRS.
   3. Club receipts and a log of all purchases should be kept to make taxes as easy to file as possible!
   4. The bank account is not non-profit and you will pay taxes on all purchases and for the account
   5. If you want to apply for funding and are accepted you can use the USUSA P-Card, which is tax-exempt
5. Additional Information:
   1. You may need to fill out a form called TC-161 for the State of Utah for taxes. You can find the form here: http://tax.utah.gov/forms/current/tc-161.pdf
Club Fundraising

What defines Student Organization fundraising?
Any event where the student organization intends to raise additional funds through solicitation (funds and/or items), charging admission to a fundraising event, or selling products or services. This excludes collecting membership fees or dues. This includes fundraisers that may benefit the student organization, other charitable group or an individual.

Can my Student Organization fundraise?
Only student organizations that have been pre-approved by completing the Application to Raise Funds (http://www.usu.edu/advancement/studentfundraise) at least ten business days prior to the day of the fundraiser will be allowed to fundraise.

How will I know if the Fundraiser has been approved?
Applicants can expect a response via email within five business days of submitting a completed application.

If the fundraiser has been approved, the response will include instructions pertinent to your fundraiser.

If the fundraiser is not approved, the student organization is not allowed to hold the fundraiser. Appeals to this decision must be directed to the Student Affairs Development Officer Ricky Linton- ricky.linton@usu.edu.

My Fundraiser has been approved, is there anything else I need to know?
Fundraisers for USUSA Clubs, Fraternities or Sororities
- Must clearly identify itself when raising funds and make it clear the fundraiser is not raising funds for USU nor give the impression the donation is tax-deductible
- Must not use the university’s tax-exempt status in organizing or operating the fundraiser

What are some fundraising options?
1. Collecting donations at meetings and events.
2. Charging admission to scheduled events such as speakers, conferences, films, tournaments, dinners and dances.
3. Conducting sales at approved events or at Student Center outdoor tables.
4. Soliciting donations via letter/email campaign. The solicitation must be clear that the donations are not for USU or give the impression they are tax-deductible.
5. **USUSA Fraternities and Sororities may solicit donations from family, friends and alumni under the following criteria:**
   a. Your organization must possess an internal list of contacts. USU will not provide a list or database of alumni, friends or family.
   b. The list of contacts must be vetted through the USU Advancement Office to determine potential conflicts with other USU fundraising priorities.

6. **Raffles** – The State of Utah defines raffles as a “lottery”. Therefore, raffles are considered gambling in the State of Utah and as such, organizations cannot hold raffles.
Good Standing/Probation

To be in good standing as a club, a member of your club presidency will be required to attend the USUSA Clubs and Organizations meetings that are held monthly. If none of the club leaders can attend the meeting, you must get in contact with the Organization & Campus Diversity Vice President BEFORE the meeting to make other arrangements. We will do our best to accommodate everyone, but we ask that you make an effort to be at each meeting, as all dates and times are already posted.

Being absent from one monthly meeting will place your club on probation and will:
- 1. Forego the opportunity to receive USUSA club funding
- 2. Remove the ability to schedule club or organization events at the USUSA free of cost price.

Being absent from two monthly meetings, the club or organization will no longer be recognized through USUSA.

In addition, each spring all clubs and organization must re-register their membership. If you do not re-register by the purge date (April 30, 2020) the club or organization will no longer be recognized for the next academic year, which means your club or organization will forfeit the opportunity to participate in some fall activities, i.e. Day on the Quad. We do this to keep the USUSA clubs and organizations organized and the website up to date. Registration shall be valid from the date of approval to the end of the succeeding spring semester.

Please note- the misuse or mishandling of allotted funding will result in the immediate termination of your club. Please refer to page 14.7.
Responsibilities of Advisors

All registered clubs are required to have an employee advisor. The club advisor should provide a cornerstone upon which the organization can build. The advisor’s organizational experience helps student leaders in building and running an effective club. Student leaders can use the club advisors as a sounding board for ideas, as a reference, as a friend, and as a member of the organization whose primary goal is to see that it is successful. The most critical part of the advisor’s job will be to provide continuity year after year to the club. This can be fostered by helping to ensure successful club officer transitions.

An advisor must have knowledge about the University and its mission. It is important to be open to new ideas, listen to all sides of an issue, and be non-judgmental and flexible in problem-solving and decision making. It is important to remember that the advisor is there to guide, but not direct. The membership sets the agenda and the advisor’s role is to help them to achieve their goals.

All events held in the TSC must follow the TSC policy for events. Advisors must sign an approval form saying they will be at the event, and that they are responsible for helping coordinate the event beforehand, anything that happens during the event, and cleanup afterwards.

Becoming a club advisor can be very rewarding as you serve as a mentor for students. There are some mandatory responsibilities that come with this position.
